Great marketing, great conversions: InterPartners

A new name, a new look, a new website -- and the same outstanding affiliate revenues as ever before.

Previously known as PartnerLogic, InterPartners is home to InterCasino, InterPoker, VIP Casino and Parbet. Now, with a new Income Access-powered affiliate program, the company is offering even better rates and marketing power than ever before.

Available in much of Europe, as well as Canada and Australia, InterPartners is known for stellar promos and deposit bonuses that keep players coming back for more. That's great for affiliate conversions, and even better for retention rates.

But don't just take our word for it. Check out what some other CAP affiliates had to say:

"We've been working with these guys for years now and in all our time have never found a casino that retains and generates revenue as well as the InterCasino brand."

"In my opinion they offer one of the best casino affiliate programs. Highly recommendable."

"Great team...responsive, helpful and on the ball. Converts great and commission payments are always on time. Never had one problem."
