Affiliate Media, Inc., a recognized leader in the global online marketing and advertising industry, has been ranked on the [Inc. 500 list of fastest-growing privately held companies in the United States](#), both parties announced today.

The Orange County-based online advertising and sales firm ranked not only within the top 500 (Inc. also has a list of the 5,000 fastest-growing companies), but within the top 150, landing at number 129. In addition, Affiliate Media placed no. 14 in the sub-list for fastest-growing companies in the greater Los Angeles metropolitan area and no. 15 on the list of companies in the advertising and marketing category.

"This is an honor for Affiliate Media, and a source of pride for myself and the entire Affiliate Media family," commented Warren Jolly, the company's Chief Executive Officer. "In a few short years, we've grown from a small start-up to an international Internet marketing firm, and we're very happy to receive recognition for that accomplishment from one of the business world's most respected voices."

Affiliate Media Inc., based in Orange County, California, has reported a stunning rate of growth of more than 1,350 percent over the past three years. Also boasting more than 200 clients worldwide associated with its various properties, the company is on target to become an even more dominant force in the online advertising sector in the years to come.

Affiliate Media's successful business model centers around its ownership and management of multiple industry-leading online marketing properties including several globally renowned affiliate marketing directories, plus its network of [lead generation vendors](#) and advertisers that generate thousands of leads per day in several prominent online verticals. The company also provides consulting services in online marketing strategy, web traffic expansion and monetization, performance-based advertising and ad networks, and other relevant online-related areas of expertise, and has sponsored and co-managed several global conferences in Europe, Australia, and other international locations.

As the United States' primary entrepreneur resource, Inc. magazine and its yearly list of 5,000 fastest-growing, privately held companies is a closely watched and highly regarded source of business information. Each year, tens of millions of companies compete for placement on the exclusive list.

"Considering there are 27 million privately owned businesses in America, and that the Internet services marketplace is so overcrowded today, I regard this as an incredible accomplishment and I'm very proud of the team here at Affiliate Media," added Mr. Jolly. "In just a few short years, we've joined the elite group of American companies such as Microsoft, Intuit, and Oracle. I'm confident that the next several years will see us improve even further. The message to American's business world has been emphasized by this recognition: Affiliate Media is a name to watch."
